Attendance & holidays

The Board of Trustees would like to highlight the importance of regular school attendance for all students. Being at school consistently supports not only academic progress, but also each child's wellbeing, sense of belonging, and connection to our school community.

Daily attendance helps students stay engaged with their learning, build strong relationships with teachers and peers, and maintain momentum across the curriculum. Even short absences can interrupt learning, particularly in key areas, so we encourage families to prioritise attendance wherever possible.

We understand that there may be times when families need to travel during term time. If you're planning a holiday or extended absence, please email Andrea in advance. This allows us to keep accurate records and enables teachers to support your child's learning before and after their time away.

Thank you for your continued support in fostering a positive, consistent, and inclusive learning environment for all our tamariki.

Learning Conversations

The Board would like to thank all teachers for the recent Learning Conversations. These meetings are a valuable opportunity for whānau to connect with classroom teachers, understand how their children are progressing, and set shared goals for the term ahead. We know how important it is for families to feel informed and supported in their child's learning journey, and we appreciate the time and care staff put into these conversations.

The continued use of the HERO app and the sharing of learning stories also provide meaningful ways for families to stay engaged with their child's progress and celebrate achievements throughout the year.

Acknowledging Staff

We would also like to extend our sincere thanks to all staff for their hard work and dedication throughout Term 3. The learning experiences, care, and commitment you bring to our tamariki make a real difference, and we are grateful for everything you do to create a positive and inclusive school environment.

Thank You to Parents and Whānau

We also want to acknowledge and thank our parents and whānau for your ongoing support, engagement, and partnership in your children's learning. Your involvement helps strengthen our school community and contributes to the success and wellbeing of our tamariki.

We wish everyone a restful and well-deserved break over the school holidays, and we look forward to an energised start to Term 4.

Ngā mihi nui
